

NICOTEXT

90 Classic Books for People in a Hurry

All those books you *should* have read,
you can now conquer in seconds!

You've spent years perfecting your blank stare whenever someone mentions Kerouac, Proust or Tolkien. *Life of Pi* sounds a bit like a reality show and *1984* conjures up nothing other than big hair and roller-skates. Nicotext can save your literary soul!

90 Classic Books for People in a Hurry is the ultimate solution for those without the time or inclination to wade through *Gulliver's Travels*, *Pride and Prejudice* or *The Great Gatsby*. We give you *A Clockwork Orange* in a four-panel comic. We give you *Death of a Salesman* in five amusing sentences. We give you dinner party credibility quicker than you can say *The Ingenious Hidalgo Don Quixote of La Mancha*.

Cleverly illustrated by Henrik Lange, this book is an entertaining addition to any bookshelf, coffee table or nightstand. Read this, and the next time someone mentions *Naked Lunch*, you won't say, "yes please".
