EXTREME SPORTS

A guide to all the insane sports you
wish you had the stones to try!

Close your eyes. Imagine yourself being towed behind a Jet Ski into a gigantic, killer wave. Your board is called a rhino-chaser. You're speeding towards the towering, terrifying wall of water the size of a 7-story building. You might wipeout, get plunged deep down into the ocean where your eardrums will rupture and you'll be slammed into the ocean floor. You might die. Every fibre of your being is screaming NO!

...Meet the people who scream YES! Nicotext brings you the ultimate guide to all the blood-chilling extreme sports that'll make your extremities tingle. From racing trucks through sandstorms in the Sahara to scaling frozen waterfalls in the Alps, you can experience it all from the relative safety of our printed pages. Nicotext will hold your hand through the world's most extreme races and introduce you to some of our planet's most fearless athletes.

Prepare to be inspired, gobsmacked, and possibly a little intimidated!
